**REV. FR. JAMES MANJACKAL**  
**A ROMAN CATHOLIC GLOBAL MISSIONARY**  
**ON WHEEL CHAIR**

I am extremely happy to recommend and appreciate the wonderful services of Rev. Fr. James Manjackal MSFS in the field of evangelization. He is one of the pioneers of catholic charismatic movement in Kerala, India. Being a vibrant preacher he travelled along the various dioceses in India and especially the parishes of this diocese. He is the founder of Charis Bhavan, a catholic charismatic renewal centre in 1989 under the jurisdiction of the diocese of Vijayapuram. Charis Bhavan flourishes as a spring where hundreds of people could regularly swallow the Word of God and get themselves illuminated with the Gifts of the Holy Spirit. He is the author of several books and articles on Catholic Charismatic Renewal. He has also founded a Secular Institute for Women for serving at Charis Bhavan as well as different parishes of the diocese. He was totally paralysed, but as a miracle he is moving around Europe at the invitation of Bishops and Priests to share the word of God and the healing power of the Lord. As he belongs to the Religious Community under the jurisdiction of this Roman Catholic Diocese of Vijayapuram, he has the faculty to preach the Word of God and administer the Sacraments. For the moment he is based at Germany. Discarding the physical pain, he is still active and earnest ministering as a suffering servant of Jesus Christ. He preaches sound doctrine of the Catholic Church out of strong faith.

You are welcome to avail his service.

Invoking God's choicest blessings on you,

+Msgr. Sebastian Thekethecheril  
Bishop of Vijayapuram
